**CUSD YRG Informational Meeting
09/21/2020 | 4pm | Students and Parents**

To divert youth who are at risk of system involvement away from the juvenile justice system with evidence-based, trauma-informed, culturally relevant, and developmentally appropriate options. While the primary goal is to avoid initial contact with law enforcement, we also want to avert further involvement for those who have already had contact.

For More information: call (844) BUILD-23 or email: info@creativebuild.org
